## NBS COMPANIES PDX TO COAST TEAM RAISES \$1,780

**Portland, Oregon (September 13, 2007)** – The Norris, Beggs & Simpson Companies Portland To Coast Walk Relay team raised \$1,780 by the race's beginning this morning.

Two support staff employees – one from brokerage arm NAI Norris, Beggs & Simpson, the other from NBS Financial Services – rallied a team that includes managers, brokers and support staff alike, who will cover the distance from the Hawthorne Bridge to Seaside, OR by tomorrow afternoon.

Executive Assistant Dianne Slomkowski started the team off this morning at 7:30am.

Kim Miller, Finance Assistant, and Marianne Majors, Brokerage Assistant, began walking together several months ago for exercise and eventually organized the “**No Blistered Soles**” (adhering to the company acronym) team that has now raised nearly \$2,000 for the American Cancer Society.

The 16-person team is currently working through the 36 “legs” of the route.
